Rules and regulations for students
Welcome to the Alliance Française of Hyderabad!

Enrolment in class

- Enrolment is on a first-come first served basis with a minimum of 10 students and maximum capacity of 25 students per class. In case, there are less than 10 students, the AFH would consider doing a shorter package instead of the initial proposed hours for the benefit of those who have already enrolled.
- The minimum age to enroll for a mainstream class is 14 years.
- A Student wanting to enroll for beginners' level has to enroll within the **first 3 days** from the date of commencement of the batch. Students who wish to repeat the said course could join within ONE week and then enrolments for the said batch are closed.
- Transfer to another batch of the same session or to the next session is possible only **once** by paying an amount of 500INR (administrative fees) within the **first 3 days** of the session on condition of seat availability and a written request.
- If a course is cancelled, students will be informed over the phone and the fees will be transferred to the next session or refunded.

Fees and study materials

- Fees should be paid in full at the time of enrolment. NO part payment is allowed. Registration fee of 500Rs is charged, which is valid for a year.
- Fees once paid can neither be reimbursed nor be transferred to anybody else. Students who wish to repeat a certain level can pay half the fees for the said class. This half payment is valid for ONE year.
- The text books are available at the Center at cost price. No photocopy is allowed. Contempt of this rule would oblige the institute to take stringent actions.

External candidates

- Any person can appear for the exams at our center provided he/she clears an entrance exam. He/she needs to pay 500INR (no transferable) towards exam fees. He/she must also pay the next level fee in advance.
- In case the candidate does not pass, he/she can either take a re-imbusement or fees can be adjusted to the said level for which he could not qualify.

Private classes

- Any individual who cannot join a mainstream class can avail 'Private classes' which is on a 1-to-1 basis by paying necessary fees. Registration fee is not applicable.
- If the student does not wish to start his/her classes or wishes to discontinue after enrolment, the institute would retain ONE hour fees and reimburse the rest.

Student card

- A student card is given to all students who are enrolled for the session. This card allows him/her to do reference work at the library as well as to attend most of the cultural programs organized by Alliance Française of Hyderabad.

Exams

- AFH conducts exams at the end of each level. Attestation for the same is provided only on request and by paying a nominal fee of 200INR. Attestation will be ready in 1 week's time from the date of request.
- All candidates who could not pass the exam will be required to either re-do the same level by availing a discount of 50% on course fees or simply do a re-exam by paying 500INR (Decision will be taken by the Director of courses and the concerned professor)
- Students who cannot re-enroll immediately can miss only 1 session (3 months). In case the student misses more than the stipulated time, he has to do an entrance exam and rejoin.
- For certificates, all students have to appear for the Delf – Dalf exams by the Ministry of the French National Education conducted in the months of March, June, September and December. (www.ciep.fr/delfdalf)
